CAIRNS Dodgers BASEBALL

SPONSORSHIP PACKAGE

Cairns Dodgers Baseball

ABSTRACT

This document contains important information about the variety of sponsorship options, who the Cairns Dodgers are, and the benefits of being a sponsor.

Brendan Moule
Club Secretary

Who We Are:

Cairns Dodgers Baseball club was registered in 1988 and is the longest running baseball team in the Cairns area. Currently the club has teams in all junior age groups (tee ball to under 16), along with a Division 3 senior team. Cairns Dodgers utilises the fields at Walker Road Sporting Precinct at Edmonton for training of all age groups along with junior games being played there on weekends. Senior games are played at the Trinity Beach Sporting Precinct.

What We Believe:

Cairns Dodgers strives to create an all-inclusive, family friendly environment which promotes fair play and friendship amongst all members. We achieve this by including all members in club activities and through the involvement of senior players in as many aspects of the club as possible, including coaching and player development.

How You Can Help:

There are many aspects to running a successful community sporting team. The assistance, generosity and commitment of our sponsors goes a long way in helping with achieving this. Supporting a community-based club is a rewarding experience and one that we hope you will be joining in the 2024 season. Moving forward it is the club's vision to further promote and develop baseball in the Cairns area. Your assistance will help Cairns Dodgers achieve this goal.

Sponsorship packages are outlined on the following pages, and we have packages available to suit every marketing budget. There are a limited number of package options available, and placements will be on a first booked preference. Sponsorship and material deadline is the 16th February 2024 to allow the club to order merchandise in time for the 2024/25 season.

Please contact us to discuss any queries you may have.

Kind regards,
Brendan Moule
